

Katja Manley Østergaard and Peter Lorentzen appointed new members of NMP's Management

As per 1 February 2022, Katja Manley Østergaard has been appointed Director of Distributions and Projects and Peter Lorentzen as Director of IT.

"I am very happy to welcome Katja and Peter to our management team. Both Katja and Peter have been a part of the NMP team for many years. Katja comes from a position as Business Expert giving her a deep understanding of our business, the industry we operate in and our customers. Peter's previous experience as IT architect has given him a solid knowledge of NMP's IT department and he is very qualified to develop NMP's long-term IT roadmap and securing the stability of the everyday business. I look very much forward to having them onboard in the management team ", says Tine Oswald.
